Different renewable energies

7 Types of Renewable Energy: The Future of Energy

Renewable energy is energy that has been derived from earth's natural resources that are not finite or exhaustible, such as wind and sunlight.

Different pronunciation for the same word

The different emphases (which is what you mean by accent) are important since if you put the strong stress on a word, the person you are talking to may have difficulty in understanding

How it is different or How is it different?

Which one of the following is correct in the following context? Why Islamabad and How it is different? Why Islamabad and How is it different? P.S. Islamabad is the capital city of Pakistan.

On different days or in different days?

It was "They had to change TV channels on different days at different times". I read "in different days" could be correct too, I don't know. Thank you in advance for your help too.

Renewable energy explained

What is renewable energy? Renewable energy is energy from sources that are naturally replenishing but flow-limited; renewable resources are virtually inexhaustible, but they are limited by

Different + singular or plural?

Hi, I have an issue I cannot resolve, neither can I identify the relevant rules/information. I have doubts of whether "different" should be always followed by a plural, or if the singular is allowed

people with/from/of different backgrounds

There are some discussions here: [Of/with/from different background](#). But it is not exactly what I am looking for. I am wondering which of the following is correct: (a) I've been working with

people of/with/from different ages/cultures/backgrounds/occupations

Feb 12, 2020 #1 Hello, 1. I like to work with people of/with different ages. 2. I like to work with people of /from different cultures. 3. I like to work with people of/with/from different backgrounds. 4. I like to

[has tried several different jobs \(question about the tense\)](#)

She has tried several different jobs before she decided to become a full-time writer. Why not "had tried" or just "tried"? Is the present perfect tense the best choice here? My first thought was

Renewable energy

Summary Overview Mainstream technologies Emerging technologies Comparison of the theoretical and practical potentials of different renewable energy technologies Market and industry trends Policy Finance

Renewable energy (also called green energy) is energy made from renewable natural resources that are replenished on a human timescale. The most widely used renewable energy types are solar energy, wind power, and hydropower. Bioenergy and geothermal power are also significant in some countries. Renewable energy installations can be large or small and are suited for both urban and rural areas. Renewable energy is oft

quite a different story

How would you translate quite in the above? I guess it is emphatic - i.e. a different story entirely/completely? What do you think? I would say perhaps: cuenta otra historia enteramente How
