### IMF Cut Global Growth to 3.1%, Flags Downturn Risk If War Lasts

Global gross domestic product is now expected to rise 3.1% this year, compared with 3.3% predicted in January, the Washington-based fund said Tuesday in its World Economic Outlook.

### [IMF Downgrades Global Growth Forecast on Iran War Concerns](#)

IMF Downgrades Global Growth Forecast on Iran War Concerns The international organization issued its latest outlook during its spring meeting in Washington.

### imf: IMF cuts global growth outlook for 2026, warns of potential

The International Monetary Fund has cut its global growth outlook, warning the economy could near recession if the Middle East conflict keeps oil above \$100. It now sees 3.1% growth in

### How artificial intelligence can help achieve a clean energy future

A look at how AI can be used to help support the clean energy transition by helping to manage power grid operations, plan infrastructure investments, guide the development of novel

### [Making clean energy investments more successful](#)

New research emphasizes the importance of well-validated models and forecasting tools in evaluating choices for investments in clean energy technologies and policies by governments and

### **IMF cuts global growth forecast, warns Iran war could trigger recession**

The International Monetary Fund cut its forecast for global growth to 3.1% in 2026, down from 3.3% projected in January, warning that war in the Middle East has halted economic momentum

### **IMF cuts the outlook for global growth in the fallout from from Iran**

The Iran war has stalled the world's economic momentum this year, likely pushing growth lower compared to 2025, the International Monetary Fund warned Tuesday.

### **A new approach could fractionate crude oil using much less energy**

MIT engineers developed a membrane that filters the components of crude oil by their molecular size, an advance that could dramatically reduce the amount of energy needed for crude oil

### [Using liquid air for grid-scale energy storage](#)

Liquid air energy storage could be the lowest-

### [MIT Energy Initiative conference spotlights research](#)

At the MIT Energy Initiative's Annual Research Conference, industry leaders agreed collaboration is key to advancing critical technologies amidst a changing energy landscape.

### **New materials could boost the energy efficiency of microelectronics**

MIT researchers developed a new fabrication method that could enable them to stack multiple active components, like transistors and memory units, on top of an existing circuit, which

cost solution for ensuring a reliable power supply on a future grid dominated by carbon-free yet intermittent energy sources, according to a new

### **Citing fallout from the Iran war, IMF cuts the outlook for global**

Citing fallout from the Iran war, IMF cuts the outlook for global growth, expects higher inflation Kristalina Georgieva, managing director of the International Monetary Fund (IMF), listens

### **IMF Cuts Global Growth Forecast as Iran Oil Shock Threatens Near**

IMF cuts global growth forecast and warns an Iran-driven oil shock could push the world close to recession as Middle East conflict threatens energy supplies.

### [Energy storage cabinet bending mold installation diagram](#)

Additionally, H30 could be programmed to discharge and meet the energy demand on project basis, designed for small businesses. The most special design for this system is the plug & play battery

### [What's the best way to expand the US electricity grid?](#)

Growing energy demand means the U.S. will almost certainly have to expand its electricity grid in coming years. What's the best way to do this? A new study by MIT researchers examines

### [Explained: Generative AI's environmental impact](#)

MIT News explores the environmental and sustainability implications of generative AI technologies and applications.

### **IMF cuts growth outlook, warns of potential global recession if Iran**

IMF cuts growth outlook, warns of potential global recession if Iran war worsens An aerial view of tugboats helping a crude oil tanker to berth at an oil terminal, off Waidiao Island in Zhoushan

### **IMF downgrades global growth outlook as Iran war hits prices**

The International Monetary Fund cut its growth

outlook to 3.1% due to the Middle East war but said the world was already drifting toward a more adverse scenario.

### **Outdoor energy storage power supply mold installation method**

An Outdoor Energy Storage All-in-one Cabinet is an integrated power storage system that combines batteries, inverters, cooling systems, and smart monitoring into a single,

### **New facility to accelerate materials solutions for fusion energy**

The new Schmidt Laboratory for Materials in Nuclear Technologies (LMNT) at the MIT Plasma Science and Fusion Center accelerates fusion materials testing using cyclotron proton beam

### **Iran war news: IMF cuts the outlook for global growth, expects higher**

The Iran war has stalled the world's economic momentum this year, likely pushing growth lower compared to 2025, the International Monetary Fund warned Tuesday.

### **Evelyn Wang: A new energy source at MIT**

As MIT's first vice president for energy and climate, Evelyn Wang is working to broaden MIT's research portfolio, scale up existing innovations, seek new breakthroughs, and channel

## [SigenStack Energy Storage System Installation Guide](#)

o You are advised to install the equipment in a location where you can easily access, install, operate, maintain it, and view the indicator status. o Do not install the equipment in a smoky, flammable, or

## [Energy storage cabinet bending mold installation](#)

Within the IP54 protected cabinet consists of built-in energy storage batteries, PCS inverter, Cut multiple relief cuts on the back of wooden molding to allow it to bend.

## **300mm Deep Bend: STON Bending Battery Energy Storage Cabinets**

And at the heart of every storage cabinet is a critical manufacturing challenge: achieving clean, accurate deep bends-up to 300mm-on large-format panels. This video takes you to the factory
