Fpl battery solar energy storage cabinet system

Visual Studio app help

Hi people. I have a small app that imports radio information, and want to modify one of the fields so the info can be edited. I have done similar mods in the past, but my coding ability is not up

MEDEVAC callsigns and logistics?

Hi all. I've always kept the standard ORNGE freqs in my radios, but with the increase in COVID-related flights these days, have started monitoring them on regular ATC/en route channels

FPL , Energy My Way , Battery Storage

This innovative energy storage project comprises a 5-MW solar array and a 7.5-MW by 15-MWh stationary battery, as well as two mobile EV fast charging trailers. The project enables FPL to test the

[Cheapest way I can Keyload an XG100P with KFD tool without](#)

I purchased an XG-100p and KFDtool seems great except that KFD100 usb device thing has been sold out for years (I've read). What's the easiest way and cheapest way I can load keys

[Florida Power & Light Invests \\$3.8 Billion in Cutting](#)

Florida Power & Light (FPL) is making a groundbreaking investment in battery energy storage systems (BESS), reinforcing its commitment to

Newark PD and Fire Down

As if 2100 Newark PD and Fire a complete radio failure. All fire calls on Fire 1. Not sure what PD is doing.

[Milair 2026 , Page 2 , RadioReference Forums](#)

Chuck, is there a list of these names and what base they are associated with?

ZJX (Jacksonville ARTCC)

A new (?) frequency has been identified as being used by ZJX - Jax Center - 120.325 I have no listings or correlated sector that this frequency has been associated with in the past. for

Battery Enclosures & Cabinets

This product is perhaps more commonly called a "solar battery box" but is also referred to as a "pole mount battery box". Some battery boxes are large enough to be considered battery cabinets and are

Push Notifications Blocked

As the title stated, my push notifications are blocked. Does a moderator have to unblock them? I can't figure out if I did something on my side or it could have happened when I went from the

SDS100/SDS200:

All are showing i have signal and data coming in but the audio is almost horrible and very bad distorted. When I listen to peoples broadcastify feeds from their scanners most of the digital P25

[Florida Power & Light plans US\\$3.8 billion new BESS](#)

Florida's largest utility, Florida Power & Light (FPL), is ramping up its energy storage ambitions across the Sunshine State, with plans to deploy over

DSDPlus

So I've been utilizing a scanner for most of my monitoring desires but I am wanting to expand into SDRs. I purchased two RTL-SDR Blog dongles and purchased DSDPlus Fastlane.

Northern Loudoun Chatter

I'm hearing what could be Loudoun County Sheriff on an auxiliary/secondary analog channel, Animal Control or Purcellville Police Department on 155.010. Anyone know anything about
