

Free removal of photovoltaic panels

Overview

Who wouldn't want free labor to remove and reinstall their solar system when it's time for a roof replacement?

But here's the truth: that promise is often too good to be true.

Free removal of photovoltaic panels

grammaticality

A friend claims that the phrase for free is incorrect. Should we only say at no cost instead?

single word requests

Similarly, "free education" is funded by the state (which is ultimately financed by taxpayers) and taught in state-run schools called state schools whereas schools that charge tuition

"Free of" vs. "Free from"

If so, my analysis amounts to a rule in search of actual usage—a prescription rather than a description. In any event, the impressive rise of "free of" against "free from" over the past 100 years
