

How safe is Australia from PV inverters

Overview

An urgent safety warning notice has been issued by the Australian Competition and Consumer Commission (ACCC) for the recall of solar PV inverters, warning of the potential risk of serious injury or death from electric shock, including advice for what your consumers should do.

How safe is Australia from PV inverters

What are Tacoma's safe and not-so-safe areas? (Seattle, Bellevue:

So it sounds as if the usual precautions in a city should keep someone reasonably safe in Tacoma, especially in areas students are likely to frequent. Just curious. What mall is "the mall" you

[Clean Energy Regulator committed to product safety](#)

Safety is our highest priority, and comprehensive controls underpin the program. We thank the installers and members of the solar industry who have been proactive in raising these
