

Liquid flow solar battery cabinet capacity

Overview

Liquid-cooled solar battery storage system delivers stable performance with power options of 100kw and 200kw, and energy capacities of 241kwh, 261kwh, 372kwh, and 417kwh.

Liquid flow solar battery cabinet capacity

ESS Solar Energy Storage Battery Cabinet

It is an one-stop integration system and consist of battery module, PCS, PV controler (MPPT) (optional), control system, fire control system,
