## [Hitachi Energy boosts high-voltage operations in Czech](#)

Hitachi Energy is investing over 1.1 billion CZK (approximately \$47 million USD) to expand its High Voltage Products factory in Brno, Czech

## When to use "new" and when not to, in C++?

You should use new when you wish an object to remain in existence until you delete it. If you do not use new then the object will be destroyed when it goes out of scope.

## What is the Difference Between 'new object()' and 'new {}' in C#?

Note that if you declared `var a = new { };` and `var o = new object();`, then there is one difference, former is assignable only to another similar anonymous object, while latter being object, it

## [How does the new operator work in JavaScript?](#)

The new operator uses the internal `[[ ]]` method, and it basically does the following: Initializes a new native object Sets the internal `[[ ]]` of this object, pointing to the Function prototype

## new operator

In the specific case of throw, `throw new()` is a shorthand for `throw new Exception()`. The feature was introduced in c# 9 and you can find the documentation as Target-typed new

expressions.

## [Czech Brno Energy Storage Equipment Company](#)

Czech Brno New Energy Storage Equipment Manufacturer Hitachi Energy is investing more than Kc1.1bn ( \$47m) to expand its high-voltage products factory in Brno, Czech Republic.

## [Czech Brno energy storage photovoltaic company](#)

But what we noticed at Wattstor is that Czech businesses are investing in renewable projects even in the absence of subsidies, because they have realised the strong business case for generating clean

## javascript

83 new() describes a constructor signature in typescript. What that means is that it describes the shape of the constructor. For instance take {new(): T; }. You are right it is a type. It is the type of a class

## New site design and philosophy for Stack Overflow: Starting February

Ah, but new experts will rise up and embrace the new, friendly Stack Overflow that they have always wanted. And maybe rediscover the same things the bitter, hateful old guard found.

## New Energy Storage Manufacturer in Brno Powering the Future of

Summary: As Brno emerges as a hub for green technology, new energy storage manufacturers like EK SOLAR are driving innovation in battery systems for renewable energy integration, industrial

### [New energy storage company in Brno Czech Republic](#)

CNTE's C&I energy storage initiative has been successfully deployed in Brno, Czech Republic, facilitating a green transformation for the local industrial park.

### [Difference between 'new operator' and 'operator new'?](#)

A new expression is the whole phrase that begins with new. So what do you call just the "new" part of it? If it's wrong to call that the new operator, then we should not call "sizeof" the sizeof

### [Is JavaScript's "new" keyword considered harmful?](#)

It is NOT 'bad' to use the new keyword. But if you forget it, you will be calling the object constructor as a regular function. If your constructor doesn't check its execution context then it won't notice that 'this'

### [New battery manufacturer with European software:](#)
