Power production from a wind turbine is a function of wind speed. The relationship between wind speed and power is defined by a power curve, which is unique to each turbine model, and in some cases,

Has Retirement Changed Your Relationship

A lot of men are impotent by early 60's and sometimes sooner due to health problems and or medications. It's a bummer for their wives who may still want to have sex.

A red flag? People who jump into one relationship to another (dating)

I question those who rush into something serious after a divorce or other long term non-marital relationship ending. This can keep perpetuating a cycle of failed relationships.
