What do you call those roofs you usually find at the entrance of buildings? Ask Question Asked 11 years, 6 months ago Modified 6 years, 4 months ago

Plural of "roof"?

Am only 63 but rooves was the plural of roof just like sheep is the plural of sheep etc. Am not finding the new language of the younger generation true. Where are the teachers of spelling and

Can Solar Panels be Installed on Any Type of Roof? , SunPower(R)

Solar panels can be installed on almost any type of roof-as long as there's access to sunlight. Whether your home has asphalt shingles, tile, wood, or metal roofing, solar is a smart and

[How did penthouse come to mean "luxury apartment](#)

With their flat roofs, however, later luxury apartment buildings had no choice but to house servants in penthouses: on the roof, not under or

behind it. Unless there was a facade feature to hide

What do you call an unsupported roof that juts out over the entrance to

It is a cantilevered roof, and that's OK for an engineer but hardly a punter-friendly description. What are the circumstances you want to use the term?

What To Know About Replacing Your Roof With Solar

South-facing roofs with a slope between 15 and 40 degrees often give the most optimal performance. However, other orientations and slopes can still

What is the difference between 'roof' and 'canopy'?

Typically, a canopy is used to provide shade while a roof offers more solid protection; canopies filter and roofs protect. You often hear 'canopy' used to describe the sky-ward protection
