50 Kwh

Thick shell, well protection for inside cells

BMS customization supported

The advertisement features three white, stacked solar power generation cabinets on wheels. Each cabinet has a digital display and control panel. The units are arranged in a row, with the 20 Kwh unit on the left, the 30 Kwh unit in the middle, and the 50 Kwh unit on the right. The background shows a house and a clear sky. The text 'Higer conversion efficiency' is in the top left, and 'CAN/RS485/WIFI/4G Blue tooth communication' is in the top right. The capacity labels '20 Kwh', '30 Kwh', and '50 Kwh' are in green circles. The bottom features two green boxes with text: 'Thick shell, well protection for inside cells' and 'BMS customization supported'.
